Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Riverbend Water Storage Tank in fiscal year 2024. The entity to receive funding for this project is the City of Mount Holly, NC located at 300 East Central Avenue Mount Holly, NC 28120. The funding would be used for the purposes of obtaining a new water storage tank that will help connect new residential developments to the city's existing water system. The project is an appropriate use of taxpayer funds because it will leverage local tax dollars to increase the clean water capacity of the city's water system which will lead to further economic development and growth throughout the region.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 22 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jeff Jackson
Member of Congress
